

To: Grade 4 & 5 Teachers

This is a great opportunity to attend the

Amazing Agriculture Adventure

This event is a cross disciplinary day long field trip for Grades 4 & 5 students featuring Manitoba's agricultural industry and its links to Science, Health, Social Studies, and Society

- Students learn about Agriculture in Manitoba by visiting 18 separate interactive stations
- The lunch hour includes a live cookie auction showing students how a real country auction works
- Since its start in 1999, over 19,000 students have visited and learned from the Amazing Agriculture Adventure
- Teachers receive a package of resources after the event to use in the classroom

Teachers who have participated say this about the event –

- *“This is the best field trip I have taken my students to”*
- *“This is the most well-organized and comprehensive field trip – it had everything and more!”*
- *“Wonderfully integrated wrap-up to our Science study”*
- *“Fits wonderfully in Science and Health curricula”*
- *“We are currently learning about Habitats and Communities as well as Growth and Changes in Plants. The topics covered in this event relates well”*
- *“Good visuals for novel study of Charlotte’s Web in ELA”*
- *“We plan on using the resources during daily LA, Math and Science activities”*

Where and When Does This Happen?

- In April in Russell every even year
- In June in Brandon every year
- In September in Winnipeg every year
- Cost is \$3.00 per student. Volunteers and teachers are free.
- Time: 10:00 a.m. – 2:00 p.m.
